The Priority List contains your school's "Preferred" and any "Do Not Use" Substitutes.

**Total Preferred Substitutes: 0**

### ***Do Not Use (DNU) Substitutes***

These are substitutes flagged as not to be sent to your school. Typically, they are flagged based upon your school filing a Do Not Use form. They may also be flagged based upon a substitute's request for reasons that include Conflict of Interest. Schools do not have the capability to add to this list directly. Changes have to be made by SubC staff.
