The Priority List contains your school's "Preferred" and any "Do Not Use" Substitutes.

These are substitutes who you nominated or you placed on your Priority List. They will be contacted before the general pool of substitutes.

Total Preferred Substitutes: 0

Do Not Use (DNU) Substitutes

These are substitutes flagged as not to be sent to your school. Typically, they are flagged based upon your school filing a Do Not Use form. They may also be flagged based upon a substitute's request for reasons that include Conflict of Interest. Schools do not have the capability to add to this list directly. Changes have to be made by SubC staff.
